

96 colours

in stock & delivered to you Next Day!

Bifix Caps

Low-profile 'Pozi' caps...

- Patented 16-spline stem
- Superior grip - even in burred or damaged fixings
- The only cap that fits Phillips* & Pozi* screws
- Low profile crown in 96 colours

Stemfix Caps

superior grip for fixings driven below-flush...

- Long stem caps for drilled head-hole fixings such as SupaChip and Confirmat*
- Same low profile crown as on Bifix Caps
- 96 colours in stock

Snap-Caps

protect against tampering...

- Protects and hides exposed fixings
- Choose Gloss or Matt finish on Caps
- Washers for CSK or flat base fixings
- 3 sizes suit 4ggs to 1/4" (M3 to M6)
- 96 colours in stock

Electroplated Snap-Caps

genuine electroplated with high-quality, long-lasting finish...

- Uses same process as quality bathroom fittings
- Use Polished Chrome & Gold for hi-gloss surfaces & Satin Chrome for matt surfaces
- Sizes 6/8 and 10/12 only

Holefix Caps

a quick and effective way to hide unwanted holes...

- 5mm for pre-drilled shelf-adjustment holes
- 10mm for holes in cabinets, windows, furniture, aluminium and plastic
- 96 colours in stock
